

Role: Associate

Base Location: Dusseldorf / Frankfurt / Stuttgart / Munich

If you are driven and committed with strong team ethic, ready to challenge and be challenged then **Infosys Germany Graduate Hiring Program** is for you!

As an Associate, you will work on exciting projects with some of the largest companies in the world. You'll be designing, building and supporting innovative technical solutions for our clients, you'll have opportunities to explore & achieve the most effective results, working in a collaborative global environment.

We provide a technical career path with the opportunity to be 'hands-on' and get involved in code and design. We value lifelong learning, creative thinking and foster an entrepreneurial culture. Come amplify your potential and become your very best.

Qualification:

Basic:

Bachelor's Degree or equivalent – preferred majors in Computer Science, Management Information Systems, Electrical, Computer, Industrial Engineering, or other related majors that provide foundational knowledge in software development and testing.

Preferred exposure:

- Understanding fundamentals of software development life cycle and importance of quality management and processes
- Understanding of Packaged Software Applications such as ERP and CRM
- Familiarity with programming languages or frameworks
- Strong problem solving and analytical skills
- Strong interpersonal and communication skills
- Ability to work collaboratively with global project teams
- A team player - Strong attitude towards working in a multi-cultural team set up.
- Flexibility and willingness to learn new skills – Due to ever changing dynamics of IT industry, willingness to learn new skills to meet customer requirements
- Good understanding of general business/ industry processes is necessary – An internship or a short-term work in an industry and associated learning is preferred
- Willingness to relocate anywhere within Germany

This position may require travel and/or relocation.

Applicants for employment in Europe should possess work authorisation which does not require sponsorship by the employer, as we are unable to sponsor work visas at this time.
